

# Year 2- Term 4 Homework

Our topic this term is:

## Dinosaur Planet

### Topic Homework

Here are some ideas for this term's homework, pick one or think of your own:

- Work with grown-ups at home to research more amazing facts about the age of the dinosaurs and find an interesting way to present your findings.
- Watch the birds in your garden or local park. Look at them closely with binoculars. What do you notice? Do you think they walk like dinosaurs?
- Take part in a dinosaur reading challenge. Every time you read a book at home, you could earn a piece of a cut-up dinosaur picture. Stick them within a dinosaur outline and see how long it takes you to make the whole picture!
- Write a dinosaur poem
- Create your own dinosaur and write a fact file for them, Carnivore, herbivore or omnivore? How big are they?

To be completed by: Friday 24<sup>th</sup> March 2023

Please make sure all homework is completed in the homework book

### Key Vocabulary

amphibian  
carnivore  
dinosaur  
extinction  
fossil  
herbivore  
invertebrate  
mammal  
omnivore  
palaeontologist  
reptile

### Maths

This term we will continue to use MyMaths for homework and Times Tables Rock Stars. If you would like to further support you child with their learning, these are some of the key areas the children would benefit from regular practise:

- Partitioning 2-digits numbers into tens and ones
- Number bonds to 10, 20 and 100
- Counting in 2s, 5s, 10s and 3s
- Developing understanding of the different coins and notes

### English

Children are expected to read every night and have their books signed.

This term we are focusing on the year 2 spelling rules and patterns. We are also thinking about how to use commas and apostrophes in our writing.
