<b>Values and St Nicholas Experience:</b>	Friends! Throughout this term, the children will be discussing what makes them unique and special, how they are also part of a team (e.g. in their family, in their class at school) and what they do to make themselves proud. We will be introducing our values: courage, honesty, resilience, kindness and being the best they can be through our provision and our characteristics of learning. <b>Naming school trees</b> <b>Tell a story out loud</b>
<b>Cultural Capital:</b>	When reading Leaf Man, we will be considering what trees are in our school grounds and how we look after our environment. We will also learn about the artwork of Jackson Pollock and Alma Thomas and have a go at using their art skills in our own work.

Play is a hugely important part of the EYFS curriculum. Each day our experienced staff plan in play opportunities for the children that will help them to achieve their next steps within all areas of their learning. We record daily adaptations to our environment and continuous provision on our daily plans

Communication and Language	Learning Intentions (Development matters)	Learning Journey
	<p>Listen to others 1:1, in small groups and whole class.            Enjoy listening to stories and can remember what happens.
