

Year 5 - Term 2 Homework

Our topic this term is:

Frozen Kingdom

Topic Homework

Here are some ideas for this term's homework, pick one (or more) or think of your own:

- * Imagine that Earth has entered another Ice Age. Write a diary-style piece describing the changes and how the human race has adapted to cope.
- * Find out what natural resources and raw materials are reaped from the Arctic. What impact does this have on the environment?
- * Use a range of snowy images to create a polar collage. Remember to use lots of interesting textures, shapes, colours and patterns.
- * Make a model of your favourite Arctic animal using clay, dough or recycled materials. Take it into school and explain how you made it.
- * Create a poster or brochure for a new travel company which arranges visits to the Arctic or Antarctic. Use powerful images and text to tempt customers who want an extra-special trip!
- * Design a pair of snow boots for an Arctic explorer. What materials would you use? What features could they have? Let your imagination run wild!
