

YEAR 5 - TERM 4-5 HOMEWORK

Our topic this term is:

PHARAOHS

TOPIC HOMEWORK

Here are some ideas for this term's homework, pick one (or more) or think of your own:

- △ Find Egypt on a map, using an atlas or Google Earth. Locate the Nile river, the Mediterranean Sea and countries that surround Egypt. Draw a simple sketch map and include a key to show some of the geographical features of the country.
- △ The fertile northern area of Egypt is called the Nile Delta. Use a range of sources to find out how deltas form and how they benefit the area. Record your findings and draw a labelled sketch of the Nile Delta.
- △ Use your knowledge and research skills to create an information text or poster about the Nile in ancient Egypt. Include information about why the ancient Egyptians lived near the river, and why the river was so important to ancient Egyptian society. Compare how people used the river then and today.
- △ Draw a labelled hierarchy pyramid to show the ancient Egyptian hierarchical system, which included different social classes.
- △ Find out about the gods and goddesses, Anubis, Ra, Ma'at and Tefnut. What do they look like? What are their roles.
